Dear Sewing Enthusiasts,

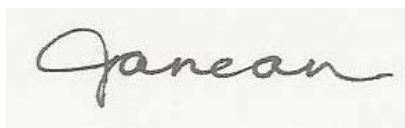

We are all geared up for fall here; the class list is full of fun classes for all sewing levels. Jerrine is teaching more classes than ever before. Linda is continuing to teach all things heirloom and has added a few more classes also. Kathi continues to be our software champion and has fallen in love with the new BERNINA Embroidery software Version 6. Joan is teaching classes in pattern fitting using the BERNINA My Label software. We are very excited to have a new teacher. *Lorraine Hatch* will be teaching a Buggy barn quilt and some traditional small quilt projects by Jo Morton.

BERNINA has a few new things for us. The BERNINA Embroidery software version 6 is amazing. The features they have added are amazing. Bernina has also added a new toy to our toy box. It is a cutting tool that is used for cutting shapes for appliqué and is awesome for cutwork. It will work with most of the BERNINA sewing machines and is due out the 1st of October. The latest sewing machine is the BERNINA Fashionista. It is the perfect machine for those of us who love to make clothing.

Our family is doing great. Mindy has finished her Masters degree in the Art of Teaching, & is teaching 4th grade here in Pasco, we are very proud of her. She has a very nice boyfriend that we like a lot. Todd and Missy have purchased 5 acres north of Pasco and are busy tending to dogs, goats, chickens & even a cow. Jasmine is a senior at Pasco High. I can't believe she is a senior. She is scoping out colleges and is very active in the youth group at church. Michael is a sophomore at Pasco High. He just found out that he made varsity football. So you know where we will be on Friday nights.

Please take a few minutes to see all the great classes we are offering. I am sure there is something you won't be able to resist. Stop by the store sometime and see all the class samples and all the great samples that Dianne has been working on.

Happy Sewing,
